

Smile Squad Contact Form

Thank you for your enthusiasm about the Smile Squad card game. Delta Dental Plans Association anticipates ordering additional quantities in 2010 and making them available at cost plus shipping. Additionally, we are considering producing and printing a Spanish-language version of the game should there be a significant need.

If you would like us to contact you regarding these two products as more information becomes available, please supply your information below and click the **SUBMIT** button to email this form to KGerlesits@deltadental.com.

Thank you again for your interest.
